Dear Christine,

I am writing with a correction to a reply that I gave you at Oral Parliamentary Questions on 15th April. There, I said that “over” £4.5 billion is being allocated to deprivation factors in the schools national funding formula this year. However, the actual figure is £4.477 billion, rounding to £4.5 billion.

Thank you again for raising this matter with me. I hope these further details have been useful and I will place a copy in the House libraries.

Yours sincerely,

BARONESS BARRAN

MINISTER FOR THE SCHOOL SYSTEM AND STUDENT FINANCE
