Dear David,

Prosecutions of cyclists

During our exchange at the debate on public bus collisions on 13 May, I committed to writing in response to your question regarding the number of cyclists who have been prosecuted.

The figures provided by the Ministry of Justice in the Outcomes by Offence data tool (which you can access at <https://www.gov.uk/government/statistics/criminal-justice-system-statistics-quarterly-june-2023>) are the following:

Prosecutions/Convictions from 2019-2023 - Number of pedal cyclists' prosecutions/convictions

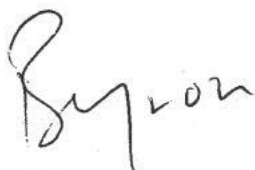

Year	Careless Cycling	Reckless/Dangerous Cycling
2019	47	11
2020	23	12
2021	26	10
2022	47	5
2023	44	5

Fixed Penalty Notices

Data for individual cycling offences are not recorded at this level.

I hope that this information is valuable. I am copying this letter to all Noble Lords who spoke in the debate and am placing a copy of it in the Library of the House.

Yours ever,
