ANNUAL ABSTRACT OF DEATHS

I am writing to request that you place in the libraries of both Houses of Parliament a copy of the Annual Abstract of Deaths, to be made available to members of both Houses, following its publication by the Office for National Statistics (ONS).

The 'annual abstract' is the statistical table produced annually by the ONS. The annual abstract of deaths was published by the ONS on 10 October. There is a statutory requirement for the tables to be deposited in the libraries of both Houses between 10 October and 10 November.

Yours sincerely,

A handwritten signature in cursive script that reads "Georgia Gould".

PARLIAMENTARY SECRETARY**
