Dear Peers,

UK-US Trade and Tariffs – debated on Thursday 3 April

I am writing to draw your attention to an update to the Oral Ministerial Statement Repeat I gave on Thursday 3rd April, as recorded in Hansard volume 845, column 473.

I referred to UK-EU trade being worth £791 billion. This relates to the year ending 30 September 2024. I have been made aware that a more recent statistic has since been made available on GOV.UK, and shows that UK-EU trade in the year ending 31 December 2024, was worth £813 billion.

A copy of this letter will be deposited in the Library.

With best wishes,

Baroness Gustafsson of Chesterton OBE
Minister for Investment
Department for Business and Trade and His Majesty's Treasury
