**PQ 59297 Correction**

Dear Gregory,

I am writing in relation to the answer that I gave on 17 June 2025 to PQ 59297 about the number of employed Government Social Researchers in England, Scotland, Wales and Northern Ireland.

The answer stated that the estimated number of employed Government Social Researchers in England was 2105 and in Wales was 240. These should read "2020" for England and "340" for Wales.

I apologise for this error in response and I have today issued a Ministerial Correction, placing a copy of this letter in the Libraries of the House.

Yours sincerely,

A handwritten signature in black ink, which appears to read "E Reynolds". The signature is fluid and cursive.
