Dear Dianne

Thank you for your contribution to the Oral Ministerial Statement Repeat on 14<sup>th</sup> May 2025 on the UK-US Economic Prosperity Deal. During our exchange, I made an error which I wish to draw to your attention and I will be making a Ministerial correction to update the record.

You asked whether the General Terms towards the Economic Prosperity Deal will be a treaty and therefore have to come before both Houses. In response I said:

*'At the moment, this is not a legally binding document, but there will be a vote on the legal framework and the secondary legislation, and it will be processed through parliamentary scrutiny in the normal way.'*

What I meant to say was:

***'The Economic Prosperity Deal and any implementing legislation will be presented to Parliament in due course.'***

I am copying this letter to the Hansard Managing Editors who have agreed to make these changes as written corrections and will update at the end of today's proceedings. A copy of this letter will be deposited in the libraries of the House.

Best wishes,

**BARONESS JONES OF WHITCHURCH**  
Parliamentary Under-Secretary of State (Minister for Legislation)  
Department for Business and Trade
