# Introduction and background

## 1 Purpose of document

- 1.1 This framework document (the “framework document”) has been agreed between the Department for Culture, Media and Sport (“DCMS”) and Imperial War Museum (“IWM”) in accordance with HM Treasury’s handbook Managing Public Money (“MPM”) (as updated from time to time) and has been approved by HM Treasury.
- 1.2 The framework document sets out the broad governance framework within which IWM and the DCMS operate. It sets out the IWM’s core responsibilities, describes the governance and accountability framework that applies between the roles of the DCMS and the IWM, and sets out how the day-to-day relationship works in practice, including in relation to governance and financial matters.
- 1.3 The document does not convey any legal powers or responsibilities but both parties agree to operate within its terms. Nothing in this Document shall prevent the IWM from carrying out its legal duties under its founding legislation or under any other legislation which impacts on its functions, activities or powers. The expectations set out here sit alongside the IWM’s statutory and charitable duties expected of staff and trustees. Any perceived conflicts should be brought to the attention of DCMS to discuss an appropriate way forward.
- 1.4 While commercial subsidiaries or trading arms may not be subject to the same requirements as the IWM itself, the IWM’s accounting officers should refer to Managing Public Money guidance which provides guidance on any delegations and oversight required for subsidiaries, if applicable. Prior to the next date for review and updating of this document, there shall be a document setting out the arrangements between the IWM and any subsidiaries.
- 1.5 Copies of the document and any subsequent amendments have been placed in the libraries of both Houses of Parliament and made available to members of the public on the IWM website ([www.iwm.org.uk](http://www.iwm.org.uk)).
- 1.6 This framework document should be reviewed and updated at least every 3 years unless there are exceptional reasons that render this inappropriate that have been agreed with HM Treasury and the Principal Accounting Officer of the sponsor department. The latest date for review and updating of this document is 28 July 2028.

## 2 Objectives

- 2.1 DCMS and the IWM share the common objective of caring for and preserving museum collections; ensuring that they are exhibited to the public and made available for study and research; and promoting the public’s understanding and enjoyment of these collections. To achieve this the IWM and DCMS will work together in recognition of each other’s roles and areas of expertise, providing an effective environment for the IWM to achieve its charitable purposes through the promotion of partnership and trust and ensuring that IWM also

supports the strategic aims and objective of the department and wider government as a whole within its charitable purposes.

### **3 Classification**

- 3.1 The IWM has been classified as a central government organisation by HM Treasury Classifications Team.

It has been administratively classified by the Cabinet Office as a non-departmental public body (NDPB).

The IWM is an exempt charity, listed in Schedule 3 to the Charities Act 2011, whose Principal Regulator is the Secretary of State for Culture, Media and Sport.

- 3.2 The IWM is a 'Freedoms Body'. This means that it operates under a set of exemptions from, or modifications to, a specific number of financial and operating requirements. These are detailed at Annex B: Cultural Freedoms Bodies' Freedoms Charter.

## **Purposes, aims and duties**

### **4 Purposes**

- 4.1 The IWM was founded on 5 March 1917 when the War Cabinet approved a proposal by Sir Alfred Mond MP for the creation of a national war museum to record the events still taking place during the First World War. The intention was to collect and display material as a record of everyone's experiences during that war – civilian and military – and to commemorate the sacrifices of all sections of society.

The interest taken by the Dominion governments led to the renaming of the National War Museum to the Imperial War Museum later in 1917. It was formally established by an Act of Parliament in 1920 and a governing Board of Trustees appointed.

The IWM is now governed by a Board of Trustees acting on the authority of the Imperial War Museum Acts 1920 and 1955, the Museums and Galleries Act 1992 and other relevant legislation.

### **5 Powers and duties**

- 5.1 The statutory powers and other duties of the IWM derive from Imperial War Museum Acts 1920 and 1955, the Museums and Galleries Act 1992 and other relevant legislation.
- 5.2 The IWM's statutory duties (including charitable purposes) are to "make such rules as they (the Board of Trustees) think necessary for securing the due administration of the Museum and preserving the objects collected therein, including rules requiring payment for admission to the Museum". This will include generating funding from multiple sources to help achieve the strategic aims of the IWM and complying with any specific requirements for the application of such funds.

## **6 Aims**

6.1 The IWM's strategic aims are to:

- Deliver effective stewardship of our collections – we will develop and care for our collections and ensure our collections and knowledge remain relevant and accessible for audiences now and for generations to come
- Prioritise our audiences – we will provide excellent customer service across all our work and create excellent, inspiring, diverse, and relevant visitor and learning experiences
- Build our brand – we will build our reputation as a global authority and our ability to deliver our purpose and vision by providing high quality products, services, and experiences
- Increase our financial sustainability – to secure our long-term financial viability and resilience during the current challenges and any future business interruptions or global financial uncertainties.

The IWM is a global authority on conflict and its impact on people's lives. We collect objects and stories that give an insight into people's experiences of war, preserve them for future generations, and bring them to today's audiences in the most powerful way possible at our five branches (IWM London, IWM North, IWM Duxford, Churchill War Rooms and HMS Belfast) and across our digital channels. Our vision is to be a leader in developing and communicating a deeper understanding of the causes, course and consequences of war.

## **Governance and accountability**

### **7 Governance and accountability**

7.1 The IWM shall operate corporate governance arrangements that, so far as practicable and in the light of the other provisions of this framework document, its charitable status, or as otherwise may be mutually agreed, accord with good corporate governance practice and applicable regulatory requirements and expectations.

7.2 In particular (but without limitation), IWM should:

- comply with the principles and provisions of the Corporate Governance in Central Government Departments Code of Good Practice (as amended and updated from time to time) to the extent appropriate and in line with their statutory duties or specify and explain any non-compliance in its annual report
- comply with MPM
- in line with MPM have regard to the Functional Standards as appropriate and in particular those concerning Finance, Commercial and Counter Fraud

- take into account the codes of good practice and guidance set out in Annex A of this framework document, as they apply to ALBs
- comply with their duties under charity law

7.3 In line with MPM Annex 3.1 and the Charities Statement of Recommended Practice the IWM shall provide an account of corporate governance in its annual governance statement including the Board's assessment of its compliance with the Code with explanations of any material departures. To the extent that the IWM does intend to materially depart from the Code, the sponsor should be notified in advance.

## Role of the department

### 8 The responsible Minister

- 8.1 The responsible Minister is The Secretary of State for Culture, Media and Sport of the United Kingdom. The Secretary of State and other members of the DCMS Ministerial Team are accountable to Parliament for all matters concerning the IWM. For consistency, the Secretary of State will be referred to as 'the responsible Minister' throughout this Framework Document.
- 8.2 The responsible Minister's statutory powers in respect of IWM are set out in the Imperial War Museum Acts 1920 and 1955, the Museums and Galleries Act 1992 and other relevant legislation.

In addition, the responsible Minister will carry out the general duty as "principal regulator" for the IWM. This role will also be fulfilled with respect to bodies that are closely connected with the IWM. The general duty is set out in section 26 of the Charities Act 2011 and it is a duty to do all that the responsible Minister reasonably can to promote compliance by the IWM trustees with their legal obligations in exercising control and management of the administration of the charity (the "compliance objective"). .

#### 8.3 *Appointments to the board*

The Director-General of IWM is appointed by the Board with the approval of the Prime Minister and shall hold office on such terms and subject to such conditions as the Board may determine subject to such conditions as the responsible Minister may impose with the consent of HM Treasury.

- 8.4 In line with the founding legislation and, where applicable, the government's [Corporate Governance Code for Public Appointments](#), the Board will consist of a President, together with 21 non-executive members that have a balance of skills and experience appropriate to directing the IWM's business. Ten are appointed by the Prime Minister, two by the Secretary of State for the Foreign, Commonwealth and Development office, one by the Secretary of State for Defence, one by the Secretary of State for Culture, Media and Sport. These

appointments are subject to the Public Appointments Order in Council and as such must comply with the Governance Code on Public Appointments. All such appointments should have regard to the principle that appointments should reflect the diversity of the society in which we live, and appointments should be made taking account of the need to appoint boards which include a balance of skills and backgrounds. Seven are appointed by the Governments of Canada, Australia, New Zealand, South Africa, India, Pakistan and Sri Lanka. The Trustees appoint one of their number to be Chairman (Vice President).

IWM's Board should include members whose skills and experience align with the strategic direction and remit of the organisation, including finance, legal, academic, artistic, educational, commercial, digital, estate management, communications, the commonwealth and the armed services. The Board should include the independent non-executive members to ensure that executive members are supported and constructively challenged in their role.

The responsible Minister is also responsible for:

- agreeing the policy framework within which the IWM operates
- based on the advice of the sponsor team, determining if it is necessary to read and consider IWM's performance framework, strategy and annual Plan. There may be circumstances in which Ministerial approval for certain courses of action is necessary and appropriate

9.4 The PAO is accountable to Parliament for the issue of any grant-in-aid to the IWM.

## **11 Resolution of disputes between the IWM and department**

- 11.1 Any disputes between the department and the IWM will be resolved in as timely a manner as possible. The department and the IWM will seek to resolve any disputes through an informal process in the first instance. If this is not possible, then a formal process, overseen by DCMS Director (Culture), will be used to resolve the issue. Failing this, the relevant policy Director General will oversee the dispute. They may then choose to ask the Permanent Secretary to nominate a non-executive member of the department's Board to review the dispute, mediate with both sides and reach an outcome, in consultation with the responsible Minister.

## **12 Freedom of Information and Other Data Requests**

- 21.2 The IWM will ensure that its procurement policies are aligned with and comply with any relevant UK or other international procurement rules and in particular the current Public Procurement Regulations (For example, but not exclusive to, the Public Contracts Regulations 2015 and the Procurement Act 2023).
- 21.3 The IWM shall establish its procurement policies and document these in a Procurement Policy and Procedures Manual.
- 21.4 In procurement cases where the IWM is likely to exceed its delegated authority limit, and where the relevant Freedom exemption does not apply, procurement strategy approval for the specific planned purchase must be sought from DCMS commercial.
- 21.5 Goods, services, and works should be acquired by competition where necessary and appropriate. Proposals to let direct award or restricted contracts shall be limited and exceptional. The direct award financial Threshold value (where no competition has taken place to select a supplier) is set at £139,000 (ex VAT) for each contract or requirement. The IWM must comply with the direct award process as outlined at Annex C and as otherwise communicated to them by the department.
- 21.6 Where appropriate and proportionate, procurement by the IWM of works, equipment, goods, and services shall be based on a full option appraisal and value for money (VfM), i.e. the optimum combination and whole life costs and quality (fitness for purpose).
- 21.7 The IWM shall:
- engage with department and government wide procurement initiatives that seek to achieve VfM from collaborative projects
  - comply with relevant Procurement Policy Notes issued by Cabinet Office
  - co-operate with initiatives to improve the availability of procurement data to facilitate the achievement of VfM
- 21.8 The IWM shall comply with the relevant commercial and grants standards. These standards apply to the planning, delivery, and management of government commercial activity, including management of grants in all departments and ALBs, regardless of commercial approach used and form part of a suite of functional standards that set expectations for management within government.

## **22 Risk management**

- 22.1 The IWM shall ensure that the risks that it faces are dealt with in an appropriate manner, in accordance with relevant aspects of best practice in corporate governance, and develop a risk management strategy, in accordance with the Treasury guidance Management of Risk: Principles and Concepts.

22.2 The IWM will allow for risk-based DCMS involvement in Audit and Risk Committee meetings

## **23 Counter fraud and theft**

23.1 The IWM should adopt and implement policies and practices to safeguard itself against fraud and theft.

23.2 The IWM should act in line with guidance as issued by the Counter Fraud Function and in compliance with the procedures and considerations as set in in MPM Annex 4.9 and the Counter Fraud Functional Standard. It should also take all reasonable steps to appraise the financial standing of any firm or other body with which it intends to enter a contract or to provide grant or grant-in-aid.

23.3 The IWM should keep records of and prepare and forward to the department an annual report on fraud and theft suffered by the IWM and notify the sponsor department of any unusual or major incidents as soon as possible. The IWM should also report detected loss from fraud, bribery, corruption and error, alongside associated recoveries and prevented losses, to the counter fraud centre of expertise in line with the agreed government definitions as set out in Counter Fraud Functional Standard.

## **24 Staff**

### **24.1 *Broad responsibilities for staff***

Within the arrangements approved by the responsible Minister and the Treasury and subject to any relevant Freedom, the IWM will have responsibility for the recruitment, retention and motivation of its staff. The broad responsibilities toward its staff are to ensure that:

- the rules for recruitment and management of staff create an inclusive culture in which diversity is fully valued; appointment and advancement is based on merit; there is no discrimination against employees who share protected characteristics under the Equality Act 2010
- the level and structure of its staffing, including grading and staff numbers, are appropriate to its functions and the requirements of economy, efficiency and effectiveness
- the performance of its staff at all levels is satisfactorily appraised and the IWM's performance measurement systems are reviewed from time to time
- its staff are encouraged to acquire the appropriate professional, management and other expertise necessary to achieve the IWM's objectives
- proper consultation with staff takes place on key issues affecting them
- adequate grievance and disciplinary procedures are in place

- whistle-blowing procedures consistent with the Public Interest Disclosure Act are in place
- a code of conduct for staff is in place

#### 24.2 **Staff costs**

Subject to its delegated authorities, the IWM shall ensure that the creation of any additional posts does not incur forward commitments that will exceed its ability to pay for them.

#### 24.3 **Pay and conditions of service**

The IWM's staff are subject to appropriate levels of remuneration and terms and conditions of service (including pensions). As a Freedom Body, the IWM will not be subject to the Civil Service Pay Remit Guidance ("PRG") and will have the ability to offer average pay awards in excess of caps set out in this guidance.

The IWM shall continue to engage with their sponsor department during the process of making a pay remit application, particularly prior to completion. The IWM shall also continue to provide outturn data to HM Treasury and adhere to all other Civil Service Pay guidance issued by HM Treasury and the Cabinet Office.

- 24.4 If civil service terms and conditions of service apply to the rates of pay and non-pay allowances paid to the staff and to any other party entitled to payment in respect of travel expenses or other allowances, payment shall be made in accordance with the Civil Service Management Code, except where prior approval has been given by the department to vary such rates.
- 24.5 Staff terms and conditions should be set out and available to both staff and DCMS if requested.
- 24.6 The IWM shall continue to adhere to all other Civil Service Pay guidance issued by HM Treasury and the Cabinet Office, including the Senior Pay Guidance<sup>1</sup>.
- 24.7 Where a performance-related pay scheme is operated, IWM shall have due regard to the Senior Pay Guidance<sup>2</sup>

- 24.9 **Pensions, redundancy and compensation**

<sup>2</sup> <https://www.gov.uk/government/publications/senior-civil-service-pay-and-reward>

Compensation scheme rules and pension scheme rules should reflect legislative and HM Treasury guidance requirements regarding exit payments.

- 24.10 The IWM's staff will be eligible for a pension provided by either the PCSPS or other scheme offered by IWM as determined by the respective offer of employment. As a Freedom Body, the IWM has the right to opt out of the Principal Civil Service Pension Scheme for new starters.
- 24.11 Any proposal by the IWM to pay any redundancy or compensation for loss of office, requires the prior approval of the department. Proposals on severance must comply with the rules in chapter 4 of MPM.

## **Business plans, financial reporting and management information**

### **25 Corporate and business plans**

- 25.1 The IWM shall share with the department its multi-year strategic plans in advance of publication, and provide annual progress updates. The plan shall reflect IWM's statutory and/or other duties, its charitable purposes, and, within those duties, the priorities set from time to time by the responsible Minister (including decisions taken on policy and resources in the light of wider public expenditure decisions). The plan shall demonstrate how IWM contributes to the achievement of the department's medium-term plan and priorities and aligned performance metrics and milestones in line with its charitable purposes.
- 25.2 The first year of the corporate plan, amplified as necessary, shall form the business plan. The business plan shall be updated to include key targets and milestones for the year immediately ahead and shall be linked to budgeting information so that resources allocated to achieve specific objectives can readily be identified by the department. Subject to any commercial considerations, the corporate and business plans should be published by the IWM on its website and separately be made available to staff.
- 25.3 The following key matters should, where necessary and relevant, be included in the plans:
- key objectives and associated key performance targets for the forward years, and the strategy for achieving those objectives
  - key non-financial performance targets
  - a review of performance in the preceding financial year, together with comparable outturns for the previous years, and an estimate of performance in the current year
  - alternative scenarios and an assessment of the risk factors that may significantly affect the execution of the plan but that cannot be accurately forecast
  - other matters as agreed between the department and the IWM

### **26 Budgeting procedures**

26.1 Each year, in the light of decisions by the department on its updated draft corporate plan, the department will send to the IWM within an agreed timetable:

- a formal statement of the annual budgetary provision allocated by the department in the light of competing priorities across the department and of any forecast income approved by the department
- a statement of any planned change in policies affecting the IWM

26.3 The annual business plan will take account both of approved funding provision and any forecast receipts. It will include a budget of estimated payments and receipts together with a profile of expected expenditure and of draw-down of any departmental funding and/or other income over the year. These elements form part of the business plan for the year in question.

## **27 Grant-in-aid and any ring-fenced grants**

27.1 Any grant-in-aid provided by the department for the year in question will be voted in the department's Supply Estimate and be subject to parliamentary control.

27.2 The grant-in-aid will normally be paid in monthly instalments on the basis of written applications showing evidence of need. The IWM will comply with the general principle, that there is no payment in advance of need. Cash balances accumulated during the course of the year from grant-in-aid or other Exchequer funds shall be kept to a minimum level consistent with the efficient operation of the IWM. Grant-in-aid not drawn down by the end of the financial year shall lapse.

27.3 In the event that the department provides the IWM separate grants for specific (ring-fenced) purposes, it would issue the grant as and when the IWM needed it on the basis of a written request. The IWM would provide evidence that the grant was used for the purposes authorised by the department. The IWM shall not have uncommitted grant funds in hand, nor carry grant funds over to another financial year.

## **28 Annual report and accounts**

28.1 The IWM Board must publish an annual report of its activities together with its audited accounts after the end of each financial year. The IWM shall provide the department its finalised (audited) accounts within an agreed timeframe each year in order for the accounts to be consolidated within DCMS. A draft of the annual report should be submitted to the department two weeks before the proposed publication date. The annual reports and accounts should be prepared following the direction given by the Sponsor department (or HM Treasury) in line with Government Resource and Accounts Act 2000 (or the entity's relevant legislation).

28.2 Information on performance against key financial targets is included within the annual report and subject to the auditor's consistency opinion. The report and accounts shall be laid in Parliament and made available on the IWM website, in accordance with the guidance in the Treasury's Financial Reporting Manual (FReM).

## **29 Reporting performance to the department**

- 29.1 The IWM shall operate management, information and accounting systems that enable it to review in a timely and effective manner its financial and non-financial performance against the budgets and targets set out in the corporate and business plans.
- 29.2 The IWM shall inform the sponsor department of any changes that make achievement of objectives more or less difficult. It shall report financial and non-financial performance, including performance in helping to deliver Ministers' policies, and the achievement of key objectives regularly via quarterly Partnership Meetings with the department
- 29.3 The IWM's performance shall be formally reviewed by the department quarterly. The IWM will share a summary of its financial and non-financial performance - including performance in helping to deliver ministers' policies, on key DCMS priorities and against KPIs - quarterly as part of engagement meetings. The format of this information pack will be agreed between the IWM and their Senior Sponsor in advance. Board papers will be shared on a case-by-case basis, as appropriate.
- 29.4 The responsible Minister will meet a senior representative of the IWM once a year.
- 29.5 The PAO will meet the Chair and/or Director at least once a year.

### **30 Information sharing**

- 30.1 The department has the right of access to all the IWM records and personnel for any purpose including, for example, sponsorship audits and operational investigations. However, a Data Sharing Agreement/MoU will be required prior to the transfer of any personal data.
- 30.2 The IWM shall provide the sponsor department with such information about its operations, performance, individual projects or other expenditure as the sponsor department may reasonably require.
- 30.3 The department and HM Treasury may request the sharing of data held by the IWM in such a manner as set out in central guidance except where prohibited by law. This may include requiring the appointment of a senior official to be responsible for the data sharing relationship.
- 30.4 As a minimum, the IWM shall provide the department with information monthly that will enable the department satisfactorily to monitor:
- the IWM's cash management
  - its draw-down of grant-in-aid
  - forecast outturn by resource headings
  - other data required for the Online System for Central Accounting and Reporting (OSCAR)
  - data as required in respect of its compliance with any applicable Cabinet Office Controls pipelines or required in order to meet any condition as set out in any settlement letter

## **Audit**

## **31 Internal audit**

### **31.1 The IWM shall:**

- establish and maintain arrangements for internal audit
- ensure that any arrangements for internal audit are in accordance with the Public Sector Internal Audit Standards (PSIAS) as adopted by HM Treasury
- in the event that the IWM has its own internal audit service ensure the sponsor department is satisfied with the competence and qualifications of the Head of Internal Audit and the requirements for approving appointments in accordance with PSIAS
- set up an audit committee of its board in accordance with the Code of Good Practice for Corporate Governance and the Audit and Risk Assurance Committee Handbook.
- forward the audit strategy, periodic audit plans and annual audit report, including the IWM Head of Internal Audit opinion on risk management, control and governance as soon as possible to the sponsor department
- keep records of and prepare and forward to the department an annual report on fraud and theft suffered by the IWM and notify the sponsor department of any unusual or major incidents as soon as possible
- share with the sponsor department information identified during the audit process and the Annual Audit Opinion Report (together with any other outputs) at the end of the audit, in particular on issues impacting on the department's responsibilities in relation to financial systems within the IWM

## **32 External audit**

32.1 The Comptroller & Auditor General (C&AG) audits the IWM's annual accounts and passes the audited accounts to the responsible Minister who will lay the accounts together with the C&AG's report before parliament.

32.2 In the event that the IWM has set up and controls subsidiary companies, the IWM will, in the light of the provisions in the Companies Act 2006, invite the National Audit Office to tender to act as auditor of those company subsidiaries that it controls and/or whose accounts are consolidated within its own accounts.

### **32.3 The C&AG:**

- will consult the department and the IWM on whom – the NAO or a commercial auditor – shall undertake the audit(s) on his behalf, though the final decision rests with the C&AG

- has a statutory right of access to relevant documents, including by virtue of section 25(8) of the Government Resources and Accounts Act 2000, held by another party in receipt of payments or grants from the IWM
- will share with the sponsor department information identified during the audit process and the audit report (together with any other outputs) at the end of the audit, in particular on issues impacting on the Department's responsibilities in relation to financial systems within the IWM
- will consider requests from departments and other relevant bodies to provide regulatory compliance reports and other similar reports at the commencement of the audit. Consistent with the C&AG's independent status, the provision of such reports is entirely at the C&AG's discretion

32.4 The C&AG may carry out examinations into the economy, efficiency and effectiveness with which the ALB has used its resources in discharging its functions. For the purpose of these examinations the C&AG has statutory access to documents as provided for under section 8 of the National Audit Act 1983. In addition, the IWM shall provide, in conditions to grants and contracts, for the C&AG to exercise such access to documents held by grant recipients and contractors and sub-contractors as may be required for these examinations; and shall use its best endeavours to secure access for the C&AG to any other documents required by the C&AG which are held by other bodies.
