Dear Simone,

Thank you for your questions on Monday 8 December at the Grand Committee concerning the Procurement Act 2023 (Specified International Agreements and Saving Provision) (Amendment) Regulations 2025 ("the Regulations"). I committed to write to you in response to whether any further EU trade and cooperation agreements with procurement chapters remain to be transitioned and added to Schedule 9.

The UK is yet to transition EU trade and cooperation agreements with procurement chapters with Armenia, Bosnia and Herzegovina and Montenegro. There is currently no negotiating mandate in place for any of these agreements.

Thank you for raising this important matter. I hope you will find this reply useful. I will place a copy of this letter in the Libraries of the Houses of Parliament.

**Yours sincerely,**

**Baroness Anderson of Stoke-on-Trent  
LORDS SPOKESPERSON (Cabinet Office)**
