

29 January 2026

Dear Hansard Editors,

I would like to make a correction to an answer I gave during the Second Reading debate of the Cyber Security and Resilience (Network and Information Systems) Bill on Tuesday 6 January 2026, recorded in Hansard volume 778, column 174.

During the debate, I misspoke when I said “I should say to my hon. Friend, and I will come to it later, that Jaguar Land Rover and other private organisations are not in the scope of this Bill”.

Instead, I should have said “I should say to my hon. Friend, and I will come to it later, that Jaguar Land Rover and certain other private organisations are not in the scope of this Bill”.

I have requested that a copy of this letter be deposited in the Libraries of the Houses of Parliament.

Yours sincerely,

Rt Hon Ian Murray MP
Minister for Digital Government and Data
